

I am outraged that  
Sinclair plans to  
show an anti Kerry  
"documentary" just  
days before the  
election. I want  
you to STOP them  
from doing it.

I have worked my  
heart out during  
this election season  
and my husband and I  
have donated much of  
our hard earned  
money to the Kerry  
campaign. We feel  
defeated in our  
efforts when  
something like this  
is allowed to  
happen. If this  
this not  
electioneering I  
don't know what is.

If the FCC stops  
this action it will  
preserve the little  
faith I have left in  
my government. I  
don't expect that  
you will, but I just  
thought I'd let you  
know how one  
American feels about  
this. Very defeated  
and discouraged.

Sincerely,  
Tina Carter
